Lloyd's Barbeque Company
FACT SHEET

Product Description:

Lloyd's Barbeque Company offers slow-cooked barbeque ribs, shredded barbeque meat and hardwood-smoked barbeque entrees. *Lloyd's®* Barbeque is the number one selling fully cooked barbeque in the retail sector. The signature sauce crosses all boundaries and pleases all barbeque palates, from the tried-and-true to the new.

Lloyd's® products are easy barbeque solutions for the time-pressed cook looking to make a savory, fun meal for the entire family.

- *Lloyd's®* ribs are slow-cooked and slathered in delicious barbeque sauce.
- *Lloyd's®* barbeque tubs are full of shredded meat, slow-cooked and covered in *Lloyd's®* famous sauce.
- *Lloyd's Woodfire Barbeque™* meats are a line of sauceless meats slow cooked for hours using real hard woods like hickory to highlight their unique flavors. They are a start to a great-tasting meal, providing consumers the opportunity to add their favorite sauce to make it their own.

All *Lloyd's®* BBQ tubs are recyclable and re-sealable, and no longer have the throw-away paper sleeve. Instead, all dietary and product information is printed directly on the tub.

All *Lloyd's®* BBQ ribs and tubs are gluten free.
