Doña Maria® Authentic Mexican Products
FACT SHEET

Product Description:

- The Mole Rojo (Original), an original mole paste with a pleasant chocolate/peanut taste.
- Mole Verde, a thick, green paste prepared from ground pumpkin seeds and a variety of dried pepper ingredients, makes a rich, delicious sauce that is typically served with beef or chicken.
- Pipián is made from a special mix of pumpkin and sesame seeds along with chile ancho and is usually served with pork or chicken.
- Adobo offers a very thick chile sauce made from a special combination of chile ancho, chile pasilla and peanuts.
- Nopalitos are tender chopped pear cactus plants. Doña Maria® nopalitos absorb and complement the flavor of any dish, making them the perfect meat substitute during Lent or at any time during the year.
- For the first time ever, Doña Maria® products include Platillos, a new line of authentic Mexican meal starters that are the perfect accompaniment to rice or warm tortillas. These microwavable meal starters heat in just 90 seconds, while still providing slow-cooked authentic taste and flavor.
