

Peloponnese® Products FACT SHEET

Product Description:

Greek food has had a vast influence on other cuisines, and remains unique in its emphasis on basic, fresh ingredients that are simply prepared. Mediterranean diets and cuisine are about fresh ingredients-fruits, lemons, figs, olives and Sotiris Kitrilakis, original creator of the brand, brought this philosophy to life with his *Peloponnese®* products. From olives and gourmet spreads to peppers, grape leaves and couscous *Peloponnese®* products combine a variety of authentic and lifestyle Mediterranean food freshly harvested and exported from Greece to add unique old-world flair to ordinary home cooking.
