

Hormel® Natural Choice® Product Line FACT SHEET

Product Description: *Hormel® Natural Choice®* products are gluten free, have zero preservatives and are 100 percent natural with no artificial colors or flavors, and no added nitrites or nitrates, leaving only great taste. The line contains delicious, premium deli sandwich meats, Applewood smoked dinner ham, carved chicken breast, bacon, Canadian bacon, pepperoni, hard salami and sausage. The products feature recyclable outer packaging in distinctive brown and green earth tones.

Employing a cutting-edge water-based pasteurization process, *Hormel® Natural Choice®* products are sliced, sealed and packaged, and then placed in a TRUETASTE™ technology chamber where 87,000 pounds per square inch of water pressure are exerted, protecting against harmful bacteria. The process is all-natural, USDA approved and doesn't compromise the meat's great taste, texture, appearance or nutritional value.

- Nutritional profile:**
- 100 percent natural with no artificial colors or flavors.
 - Zero preservatives: using high pressure instead of preservatives helps achieve great taste, quality and nutrition of *Hormel® Natural Choice®* products.
 - No nitrites or nitrates added: *Hormel® Natural Choice®* products use high-pressure pasteurization instead of nitrites and nitrates to protect against bacteria.
 - Gluten free: gluten is a protein that occurs naturally in barley, rye, oats and wheat.
 - Trans fat free: trans fats are typically found in processed snack and dessert products due to the presence of hydrogenated vegetable oil.
 - No MSG added: MSG is a flavor enhancer found in some processed foods.
